VOL. XXXIX, 1945-6

Note.—In this volume two series of numbers are used for pagination, one being the sectional page number and the other the volume page number. The latter only is used in the Index

abdominal incisions (*Discussion*), 234
abortion, missed, cervical (S. G. Clayton), 578
Abrahams, Sir Adolphe, the training of clinical teachers (*Disc.*), 69
achalasia, multiple, vertebral defects and retarded growth (J. Apley), 689
?acne conglobata (H. J. Wallace), 681
(C. H. Whittle), 94
acrocephaly-syndactyly (B. D. Corner), 692
acrylic, application to conservative procedures (R. Cutler), 103
Adams, A. W., a consideration of uretero-colic union and some experiences in the operation (*Pres. address*), 187
retropubic prostatectomy (*Disc.*), 335
Adams, P. E. H. (*Disc.*), 459
Adams, W. S., chondroma, 363
Ménière's disease—a critical review (*Disc.*), 811
Addison's disease and pregnancy (S. L. Simpson), 511
Agate, J., the clinical implications of the Disabled Persons (Employment) Act, 1944 (*Disc.*), 163
Agerholm, M. (for J. Trueta), treatment of acute osteomyelitis with penicillin (*By title*), 722
agranulocytosis treated with pyridoxine (H. Taylor), 297
ainhum with pityriasis rubra pilaris and syringomyelia (K. Tatz), 223
Ainsworth-Davis, E. W., congenital venous angioma of scrotum in a boy of 4 years: for confirmation of diagnosis and opinion re treatment (*By title*), 751
Albert, F., vascular injuries in war (*Disc.*), 490
Alexander, A. B., anæsthesia for ear, nose and throat surgery (*Disc.*), 263
Alexander, G. L., neurological complications of spinal tuberculosis (*Disc.* on Spinal caries with paraplegia), 730
Allbutt, Sir Clifford, and the transition from the nineteenth century (Sir W. Langdon-Brown), 83
Allen, H. W., blastomycosis of nasal mucosa, 821
Allibone, E. C., the treatment of cœliac disease with vitamin B complex and liver extract, 700
Allison, P. R., carcinoma of lower œsophagus and cardia (*Disc.*), 415
Alston, J. M., leukæmia and leukosis in man and animals (*Disc.*), 739
amœbiasis, treatment with medicaments (*Discussion*), 541
amyoplasia congenita with arachnodactyly (E. M. Kingsley-Pillers), 696
anæmia, hæmolytic, familial (C. Pinckney), 696
refractory (A. D. Barlow), 132
anæsthesia for ear, nose and throat surgery (W. W. Mushin), 257
intratracheal, granuloma of larynx following (I. G. Robin), 363
anæsthetics in tropical climates (*Discussion*), 395
analgesia, spinal, effect on hydronephrosis (H. Grant), 199
sepsis and asepsis in (F. T. Evans), 181
Andrews, J. E., photography in relation to dermatology (*Disc.*), 476
aneurysm, miliary, of macular region (P. McG. Moffatt), 848
of renal artery (A. J. Heriot), 197
angioma serpiginosum (J. E. M. Wigley), 89
?angiosarcoma, Kaposi's (E. Hunt), 91
ano-rectal region, cancer, pathology of (C. E. Dukes), 763
malignant growths (C. N. Morgan), 765
Apley, J., multiple achalasia, vertebral defects and retarded growth (by permission of C. B. Perry), 689
arachnodactyly with amyoplasia congenita (E. M. Kingsley-Pillers), 696
arterial advances of orthopædic concern (S. M. Cohen), 718
arthritis, rheumato..., treated by splenectomy (F. Bach), 306
with unusual onset (B. E. Schlesinger), 586
suppurative, treated by aspiration and penicillin replacement, 3 cases (A. D. Barlow), 697
arthrodesis, sacro-iliac (P. H. Newman), 715
Arthur, H. R., endometriosis of the colon, 575
ascites and cirrhosis, treated by omentopexy 12 years ago (A. E. Porritt), 705

Ashworth, H. K., anæsthetics in tropical climates (*Disc.*), 395
Atkinson, C. H., diagnosis and treatment of chronic cholecysstitis (*Disc.*), 500
Atkinson, E. M., evidence for a vascular mechanism in Ménière's syndrome, 807
Ménière's disease—a critical review (*Disc.*), 811
Attenborough, V. M. (for E. F. King), lesion of left macula, 459
avertin, 1928-1945 (G. Edwards), 71

Bach, F., splenectomy in the treatment of the rheumatoid type of arthritis, 306
bacteriæmia in puerperal sepsis (*Discussion*) (*By title*), 558
Badenoch, A. W., hydro-ureter and hydronephrosis due to longstanding obstruction by a stone in the ureter (*By title*), 200
hydro-ureter without obstruction presumably due to achalasia,with secondary stone formation (*By title*), 200
kidney and radiographs of gunshot wound of ureter (*By title*), 750
marked hydro-ureter without obstruction presumably due to achalasia (*By title*), 200
